Designed for courses in Managerial Economics in economics, business, and MBA programs, the Fourth Edition offers a lively, applied presentation of analytical and empirical tools for managerial decision making. The new edition increases the emphasis on managerial applications with more problems, case studies, questions, and with a revised version of the TOOLS software package.

### **Managerial Economics - Utah State University Research**

managerial economics is an applied specialty of this branch. Macroeconomics deals with the performance, structure, and behavior of an economy as a whole. Managerial economics applies

microeconomic theories and techniques to management decisions. It is more limited in scope as compared to microeconomics.
