Gallo LLP serves businesses, executives, and consumers alike, making winning arguments privately and in state and federal courts. Our results speak for themselves.

Gallo LLP - Class and Mass actions for consumers ...

Human impacts prior to the Industrial Revolution are not well constrained. We investigate whether the decline in global atmospheric CO₂ concentration by 7–10 ppm in the late 1500s and early 1600s which globally lowered surface air temperatures by 0.15 °C, were generated by natural forcing or were a result of the large-scale depopulation of the Americas after European arrival, subsequent ...

Earth system impacts of the European arrival and Great ...

Automatic Milking. The adoption of Automatic Milking impacts on all aspects of the farming option – it is not just a new way to milk cows. Australian experience has shown that farmers who really do their homework prior to adopting AMS minimize any negative impacts on cow, herd or farm performance.

In the early hours of March 13, 1964, 28-year-old Kitty Genovese was stabbed outside the apartment building where she lived in Kew Gardens, Queens, a borough of New York City. Two weeks after the murder, The New York Times published an article claiming that 38 witnesses saw or heard the attack, but none of them called the police or came to her aid. The incident prompted inquiries into what ...
