The Prince (Italian: *Il Principe* [il 'printʃipe]) is a 16th-century political treatise by the Italian diplomat and political theorist Niccolò Machiavelli. From his correspondence, a version appears to have been distributed in 1513, using a Latin title, *De Principatibus* (Of Principalities). However, the printed version was not published until 1532, five years after Machiavelli's death.

A mixed economy is variously defined as an economic system blending elements of market economies with elements of planned economies, free markets with state interventionism, or private enterprise with public enterprise. There is no single definition of a mixed economy, but rather two major definitions. The first of these definitions refers to a mixture of markets with state interventionism ...
