It is more of a bridge book to keep your kids from forgetting what they have already learned. It does have the answer key in the back if you need that for assistance! I love this book and my 7th grader is done with math so he is using this to make sure he doesn't forget what he's learned before 8th grade!

The Math 7 (3.0) works a little differently than the 2.0. The academic content is the same as always and includes over 100 hours of multimedia instruction! However, each course is now delivered online as a 12-month subscription (per student). This obviously means no more discs (and, importantly, no more need for expensive disc replacements).
