Laughing Gas Dentist Yahoo Answers

Best Answer: Laughing gas calms you so you won't be as nervous you still need to get a shot to numb the pain. I am a dental assistant and i see so many people come in to the doctors nervous it is common. First of all go to a dentist that cares if you are in pain or not. Some dentist just want to finish the ...

Dental Laughing Gas? | Yahoo Answers

Laughing gas calms them just a little - but not very much, it's pretty harmless. It didn't work at all for my son. We got an appointment, in a larger city close by with a pediatric dentist who uses sedation. Before we tried that, we used a dentist a family member suggested, who's known to be patient with little children.

laughing gas in dentist? | Yahoo Answers

I just recently found out I need root canal therapy on one, maybe two teeth. I remember having a root canal years ago and it being extremely painful. My dentist offers complimentary laughing gas. How much will this help and what does it make you feel like? Anyone else have any experiences to share about a root canal? Thanks in advance!

Does laughing gas really help at the dentist? | Yahoo Answers

I just got my braces off, and it turns out I have 11 cavities!): I'm going in on Thursday to have 5 or 6 done, and I'm very afraid of the dentist so I opted to have laughing gas. I have some questions for those of you who've had experiences with laughing gas at the dentist before. 1) Will I say anything stupid, besides the normal laughing and random sentences?

What is laughing gas at the dentist like? | Yahoo Answers

Best Answer: I'm the same way, i don't usually feel most medications but i definitely felt laughing gas. it just makes you feel airy and light and the dentists voices seem distant but i didn't seem to find anything particularly funny. take very deep breaths in your nose and it should come over you pretty quickly. all in all laughing gas was a very nice feeling plus at my dentist they have you ...

Dentist - laughing gas - feel it ? | Yahoo Answers

I have to get 2 wisdom teeth removed. My dentist has suggested laughing gas. I have a few questions: 1) Does it actually make you laugh? I don't want to think it's funny. 2) Will the gas affect the amount of novocaine you need? Usually they just keep giving me needles until I can't feel it anymore. But, if I get the gas will I be too "calm" to respond properly?

Laughing gas? | Yahoo Answers

Best Answer: To clear up the confusion: there ARE things you may "take with you". The nose piece you are given to inhale is difficult to sterilize, so it makes sense to sell you your own individual unit. You can either take it home, or leave it at your dental office with your name on it for use whenever you ...
