What is The Body Code System and how can it allow anyone... including you, become a powerful energy healer? The Body Code System was originally created after 28 years in private practice as a Chiropractor and Holistic Doctor where I handled dozens of the most "hard-to-crack" medical cases every single week. In fact as word of my "ability" spread I needed a way to quickly review the ...

As the first known object of its type, 'Oumuamua presented a unique case for the International Astronomical Union, which assigns designations for astronomical objects. Originally classified as comet C/2017 U1, it was later reclassified as asteroid A/2017 U1, due to the absence of a coma. Once it was unambiguously identified as coming from outside the Solar System, a new designation was created ...
