All about kid's learning through spot the difference games, find difference pictures, spot difference puzzles, printable spot difference games.

Find Differences - Find the Difference Games, Spot the ...

This simple (but noisy) game from BBC Skillswise for practising multiplication tables is always popular with students, although it is actually from a site aimed at adult learners. I like this because it is offering practice rather than a test – the game shows you a question or an answer and you have to find it on the tables square.

Recently, I have been doing a lot of thinking about assessment – as you can imagine, my wife has been delighted. In my series of blog posts about writing our new maths scheme of work, I talked about our department's plans for assessing each year group throughout the year. But a more pressing issue is how to assess our lovely new Year 7s.
