I have become increasingly interested in visual models recently as a way of introducing topics. Visual models have the power to illustrate concepts in their rawest, simplest form without the misleading associations that words and abstract notation can introduce.

Algebra - Great Maths Teaching Ideas

The inspiration for this post came from an article on Joe Kirby's blog, Pragmatic Reform called Knowledge Organisers. I have huge admiration for what Joe and his colleagues are achieving at Michaela Community School by challenging just about every status quo in teaching and learning.
