The best learning will come from experienced crane drivers as long as they don't try and teach you via the COWBOY methodology. Not sure what state you are in but a C6 ticket will set you back about \$1500 which in my opinion is a good investment. If the crane companies you work with are offering you a seat when you get a ticket I say go for it mate.

A month ago our Hand-Me-Down Rigging post discussed the need for actual training versus having riggers being taught by their co-workers. As part of that article, we invited readers to take a 5-question rigging quiz. This simple quiz was adapted from Crane Tech's Qualified Rigger Level 1 curriculum with questions that we consider every rigger should be able to answer fairly easily.
