**Manifest Destiny Answer Key**

In the 19th century, manifest destiny was a widely held belief in the United States that its settlers were destined to expand across North America. There are three basic themes to manifest destiny: The special virtues of the American people and their institutions; The mission of the United States to redeem and remake the west in the image of agrarian America

The Body of Christ is God's SPIRITUAL "military - police force" on planet Earth . I'll repeat this one more time from a little different perspective, because I've heard too many Christians believe that Satan is no longer allowed to interfere with them in any way, "Because Satan is a defeated foe" and Satan loves Christians who have a twisted comprehension of his de

### **Inspirational Quotes about ... Why Am I Here?**

Preface. A thought conceived but not expressed is at best only an unborn child, not only without any influence on the world, but of whose very existence the world may be unconscious; but once brought forth it becomes part of the living working universe, to work there its appointed season, and possibly to leave its mark for good or evil on all successive time.
