What if a would you like to question is posed with a personal request. For example, would you like to hand me that pencil? Or... Would you like to go get me the dish towel? When the question is posed this way it puts the responder in a position of looking bad if they decline the request. This type of question seems more like a demand.

Answer | Definition of Answer by Merriam-Webster

Hi, I just thought Clive's answer earlier was a bit misleading. I don't think there's anything incorrect about answering "How do you like X?" with "I like it." I don't doubt that some of my answers may sometimes be misleading. But from a classroom point of view, the response 'I like it' is by no means the first one I'd rush to teach students.
