Pride. There is no question that pride, in the context of Antigone (and most of Sophocles' works), is a trait despised by the gods and punished without mercy. In Antigone, Sophocles describes the type of pride that allows men to create laws that substitute for divine principles. In other words, when Creon creates a law because he believes it is divine will, that is the ultimate display of ...

Study skills, academic skill, or study strategies are approaches applied to learning. They are generally critical to success in school, considered essential for acquiring good grades, and useful for learning throughout one's life. Study skills are an array of skills which tackle the process of organizing and taking in new information, retaining information, or dealing with assessments.

Introduction to Energy Changes - Or The Changes that Make Things Change Energy is that "certain something" inside stuff (or matter to be more precise) that makes everything happen. When something or somebody moves or jumps or falls or explodes or breathes or thinks or dances or does anything, it's because energy is being transformed.

Energy changes and how things happen - from ftexploring.

Hey all, Like i said before on the old test section of this website, nothing beats studying for this test than taking old exams and then analyzing why you got the answer wrong or right. helps if you have a spreadsheet to track it. i think that over 70% of the exam is repeat concept testing (you will see the same cite i.e. 608.01n etc repeated over and over).
