Dealer responded, but the response was snotty. Would not deal with a dealer with that attitude. Basically I ask a question concerning the transmission as he pictures posted showed the car to be

an automatic and the info I received by researching the car by VIN number showed the car to have a 5 speed manual.

Incorrect installation of Car Alarm System. If you have recently installed a brand new car alarm system and the alarm keeps going off, then its highly advised that you check the installation. If you have the ability to get your hands on a digital multimeter, this will enable you to check that each wire is getting power and a range of other diagnostic testing.
