CMP offers mathematical help for each grade level associated with CMP. CMP3 grade 8 offers concepts and explanations of the math, worked homework examples and math background to see how all the math fits together.

CMP3 Grade 8 - Connected Mathematics Project

One of the goals of Connected Mathematics is to assist children in figuring out as much as they can for themselves. You can help by asking questions that guide, without telling what to do or giving away answers. Good questions and good listening will help children make sense of mathematics, build self-confidence, and encourage mathematical thinking and communication.
