Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Other colours are a surprise! Also, I am not American, so I call "periods" full stops and I spell words the right way. I've tried to avoid discussing things Americans and other people disagree on in this guide (and specifically mention it when it does come up), but one or two little things may have crept in, for which I apologise (with an "s") in advance.
