Making inferences is a skill with which students often need much practice. If you've looked for resources in the same places that I have, you probably haven't been too happy with what you found. I believe that the inference worksheets that I've created are of a higher quality than the other available resources and, as usual, I'm giving them away for free.

Making it Strong: All about alignment. A school's culture — positive or negative — stems from its vision and its established values. But whether the culture is strong or weak depends on the actions,

traditions, symbols, ceremonies, and rituals that are closely aligned with that vision.
