Karma (Sanskrit, also karman, Pāli: kamma) is a Sanskrit term that literally means "action" or "doing". In the Buddhist tradition, karma refers to action driven by intention which leads to future consequences. Those intentions are considered to be the determining factor in the kind of rebirth in samsara, the cycle of rebirth.

Karma in Buddhism - Wikipedia

In order to understand conflict even better, one must have a thorough understanding key character terms. v Protagonist: The protagonist is the main character in a literary work. He or she is usually seen as good, upright, respectable, and always attempting to take the proper course of action. However, the protagonist is not always good.
