Engineering is the application of knowledge in the form of science, mathematics, and empirical evidence, to the innovation, design, construction, operation and maintenance of structures, machines, materials, software, devices, systems, processes, and organizations. The discipline of engineering encompasses a broad range of more specialized fields of engineering, each with a more specific ...

Engineering - Wikipedia

Rivalry between the Universities of Oxford and Cambridge is a phenomenon going back many centuries. During most of that time, they were the only two universities in England and Wales, making the rivalry more intense than it is now.. The University of Oxford and the University of Cambridge, sometimes collectively known as Oxbridge, are the two oldest universities in the United Kingdom.

Oxford-Cambridge rivalry - Wikipedia

The common version of this expression is "get into a groove," which means to get used to a routine, to get settled into a comfortable pace doing something, to hit one's stride.. It would normally have a positive connotation in American English ("I got into a groove about the middle of the race"), but you could use it to imply that you are unable to get out of the routine, and in British ...

The slide rule, or slipstick, is a mechanical analog computer. The slide rule is used mainly for multiplication and division, and also for "scientific" functions such as roots, logarithms and trigonometry, but usually not for addition or subtraction.. There are many different styles of slide rules. They are usually linear or circular. They have a standardised set of markings (called scales).

Slide rule - Simple English Wikipedia, the free encyclopedia

A AAA: abbreviation for Association of Authors' Agents, a body representing the interests of UK literary agents. AAP: abbreviation for Association of American Publishers, the trade association for US publishers. ABA: abbreviation for American Booksellers Association, but also the description usually applied to their convention and trade exhibit held in June each year in Chicago, now ...
