From their very first day in school, students should be actively engaged in learning to view the world scientifically. That means encouraging them to ask questions about nature and to seek answers, collect things, count and measure things, make qualitative observations, organize collections and observations, discuss findings, etc. Getting into the spirit of science and liking science are what ...

The introspection illusion is a cognitive bias in which people wrongly think they have direct insight into the origins of their mental states, while treating others' introspections as unreliable. In certain situations, this illusion leads people to make confident but false explanations of their own behaviour (called "causal theories") or inaccurate predictions of their future mental states.

Introspection illusion - Wikipedia

home] Personal Dancing. I love to be active and outdoors in nature with others. Love to hike, play tennis, and canoe. Most of all I love to dance -- any kind of dancing as long as you get to interact with your partner -- swing dance, waltz, contradancing, tango, hambo, vintage, zwiefacher, and more.
