I came out with the early word on the Baking Steel, a product which at the time was in Kickstarter mode trying to raise enough money for their first run. Thanks to crazy pizza heads like you, they managed to blow past their initial investment requirements by several thousand dollars. By all accounts, founder Andris Lagsdin is in over his head trying to keep up with demand on that first run.

In this 12-hour P5 Science workshop, your child will be exposed to a series of thought processes (how to think, concept linkages) and answering techniques (template answers, key words & key phrases) for a selected number of P4 and P5 topics.

P5 Science - Complete Concept Integration™ Science Course

There are certain things I test with every patient and others that depend on the specific needs of the patient. Find out what lab tests I prefer and what they tell me about your health. I'm going to go into a lot more detail on this sort of thing in the clinician training program that I've been talking about, and it's coming up hopefully next year.

RHR: Which Lab Tests are Essential? - Chris Kresser
