Light a Light for Mito. For our loved ones we miss so dearly, we light a light and remember you. Each year during the Wednesday of the third week of September, as we celebrate and join together to raise awareness for mitochondrial disease across the globe, we remember those who have lost the battle with mitochondrial disease and ask that friends and family "Light a Light" in their memory.

Rumspringa, according to one Amishman who has studied numerous portrayals of the adolescent period, is a time when an Amish youth enters into a more formalized social world, interacting with others in his age group in a variety of settings.. Rather than an angst-filled period of existential choice, it is primarily "a time to find a marriage partner".

The myth of the flat Earth is a modern misconception that Earth was believed to be flat rather than spherical by scholars and the educated during the Middle Ages in Europe.. During the Early Middle Ages, virtually all scholars maintained the spherical viewpoint, which had been first expressed by the Ancient Greeks. From at least the 14th century, belief in a flat Earth among educated Europeans ...

I notice that Korean (Hangul) is supposedly one of the hardest languages to learn, but this is false. Yes, it is very visually different from English and of course it sounds a lot more like Korean than English, but Hangul was specifically created to be an easy language to learn so that literacy could be easily achieved throughout Korea.
