California Tax School

In California, counties oversee the distribution of property tax funds to school districts as well as to cities, county agencies and other functions. (The Legislative Analyst Office publication Understanding California's Property Taxes can equip you with lots more info, if you are so inclined.)

Where California's Public School Funds Come From - Ed100

I work from home in Illinois for a California-based company. My paycheck already has Illinois tax withheld on it, but I'm being told that I need to pay California tax because since the headquarters, servers, etc. are in California, my paycheck counts as "California Source Income". Is this true? And is there something online I can reference as well?
