The European Qualifications Framework (EQF) acts as a translation device to make national qualifications more readable across Europe, promoting workers' and learners' mobility between countries and facilitating their lifelong learning. The EQF aims to relate different countries' national qualifications systems to a common European reference framework.

Institutions do not consider the following qualifications as comparable to an Australian Year 12 qualification. However, some of these qualifications may be used as a basis of entry to pathway courses or as proof of completion of high school studies when applying in conjunction with the United States of America Scholastic Aptitude Test (SAT) 1 and American College Test.
