The term “learning styles” refers to the concept that individuals differ in regard to what mode of instruction or study is most effective for them. Proponents of learning-style assessment contend

that optimal instruction requires diagnosing individuals' learning style and tailoring instruction accordingly. Assessments of learning style typically ask people to evaluate what sort of ...

NEVER take the road people want u to. It's your life, ride your own way. U may not have a limo, but feel happy to ride on your own bike. With our eldest currently in grade 8 and still at the start of his high school years, the time has come for us to make a decision about what direction we're going to take getting him through matric with University Exemption.
