Managerial And Cost Accounting Garrison

What is Managerial Accounting, Activity Based Costing, the Balanced Scorecard and Bottleneck Accounting? These questions and other Managerial Accounting basics are discussed.

Managerial Accounting and Managerial Accounting Practices

Variable costs are costs that change as the quantity of the good or service that a business produces changes. Variable costs are the sum of marginal costs over all units produced. They can also be considered normal costs. Fixed costs and variable costs make up the two components of total cost. Direct costs are costs that can easily be associated with a particular cost object.
