Author: David Little. Religious freedom as currently understood is the condition in which individuals or groups are permitted without restriction to assent to and, within limits, to express and act upon religious conviction and identity in civil and political life free of coercive interference or penalties imposed by outsiders, including the state.

### **Religious Freedom and Christianity: An Overview**

A general State education is a mere contrivance for moulding people to be exactly like one another: and as the mould in which it casts them is that which pleases the predominant power in the government, whether this be a monarch, a priesthood, an aristocracy, or the majority of the

existing generation in proportion as it is efficient and successful, it establishes a despotism over the mind ...
