100 Important Questions Class 12 Maths | Guess Paper ...

We noticed a diagonal pattern for where the perimeter becomes less than the area. We are still working on a solution! Well done to Gourav from India, Radha from Stanhope, Kirstey from da Vinci College and Caitlin from Marshfield Primary who all correctly found rectangles with the same area and perimeter, such as 4x4 and 3x6.

David Barton's Pearson Mathematics Textbooks

The area of study known as the history of mathematics is primarily an investigation into the origin of discoveries in mathematics and, to a lesser extent, an investigation into the mathematical methods and notation of the past. Before the modern age and the worldwide spread of knowledge, written examples of new mathematical developments have come to light only in a few locales.
