About Reasons to Believe. RTB's mission is to spread the Christian Gospel by demonstrating that sound reason and scientific research—including the very latest discoveries—consistently support, rather than erode, confidence in the truth of the Bible and faith in the personal, transcendent God revealed in both Scripture and nature.

"I seek to make connections between course content and students' lives and to build relationships with and among students in the classroom. Students flourish when working together toward a common goal and when they realize that they can rely on their peers and professors for support and information."
