The parent or guardian must do the paperwork and filing with the DoE, but the parent does not have to be the teacher! New York State regulations state that if a parent hires a teacher for a group of children who meet for more than half of their educational hours, then the parent has created a school and is subject to a whole different set of regulations.

Animals are multicellular eukaryotic organisms that form the biological kingdom Animalia. With few exceptions, animals consume organic material, breathe oxygen, are able to move, can reproduce sexually, and grow from a hollow sphere of cells, the blastula, during embryonic development. Over 1.5 million living animal species have been described—of which around 1 million are insects—but it has ...
