Judicial review is no longer really controversial, but the two ways of doing it are: Using a strict-constructionist approach, a judge uses only what is written in the Constitution in judging if a law is right or not. Using an activist approach, a judge relies on his own opinions and philosophies in addition to what is written in the Constitution.

CHAPTER 13. THE JUDICIARY. In most modern democracies the executive and legislative branches hold considerable power, but most grant little policymaking power to the judicial branch. A most important exception to this general rule is the United States, whose judiciary is truly a coequal branch with as much power as the other two.

the judiciary of "legislating from the bench." 12 There are several checks on the courts, however. Supreme Court justices traditionally have exercised a great deal of self-restraint in decision making. The judiciary is also constrained by its lack of enforcement powers and by potential congressional actions in response to court decisions.
