BEST ANSWER: I don't have a Dewalt trim router. I have a Bousch Trim Router what you could do is what I did. Taking off the base plate and making one out of a piece of 1/4" masonite to attach to the circle maker. granted I have only used it 3 times with the temporary base but it worked out well just need make sure the temporary base is secured to the router and then to the circle maker

Kolb's learning styles are one of the best-known and widely used learning style theories. Psychologist David Kolb first outlined his theory of learning styles in 1984. He believed that our individual learning styles emerge due to our genetics, life experiences, and the demands of our current environment. In addition to describing four different learning styles, Kolb also developed a theory of ...
