Chapter 13 Small Group Communication - lardbucket

Find out what being an informal leader involves. An informal leader is someone within an organization or work unit who, by virtue of how he or she is perceived by his peers (or others in the organization) is seen as worthy of paying attention to, or following.

What Is An Informal Leader? - leadertoday.org

Body language is a type of nonverbal communication in which physical behaviors, as opposed to words, are used to express or convey information. Such behavior includes facial expressions, body posture, gestures, eye movement, touch and the use of space. Body language exists in both animals and humans, but this article focuses on interpretations of human body language.

Body language - Wikipedia

Most people know the term "ivory tower". It's come to mean being out of touch with the "real" world or the rest of the world. It's a major problem with respect to leaders.

Why is the ivory tower syndrome so dangerous to leadership ...

1.. Introduction For almost a decade now there has been considerable discussion in the literature on Business Process Reengineering (BPR) and today there still remains considerable confusion, particularly amongst managers, as to exactly what constitutes BPR and how it is different from other change initiatives such as Total Quality Management.
