Pltw Poe Centroids Answer - laylagrayce.com

This is an example of a shape that had shapes cut out of it. In order to do the problem succesfully, I had to fill out the table with the correct values for each variable In the end this gave me enough values to calculate for the final centroid for the given questions.

2.1 Statics - 2012-2013POE Austin S - Google Sites

In geometry, the centroid of a triangle is the point where the medians intersect. The following practice questions ask you to find the coordinates of a centroid in a triangle and to find the distance from one of the vertices to the centroid, given the median length. Practice questions Use the given information to solve [...]
