Evolution: a message of hope? Why humanity's origin matters. by Philip Bell. Published: 7 February 2019 (GMT+10) The hope of the Christian faith is inextricably linked with a belief in purpose.

Is evolution a message of hope for humanity? - creation.com

Sir Ronald Aylmer Fisher FRS (17 February 1890 – 29 July 1962) was a British statistician and geneticist. For his work in statistics, he has been described as "a genius who almost single-handedly created the foundations for modern statistical science" and "the single most important figure in 20th century statistics". In genetics, his work used mathematics to combine Mendelian genetics and ...

Fructose it seems can induce ketogenesis and if we accept that ketones are an indication of hypoxia and we consider the implications of chronic hypoxia and that it precipitates all disease, all the sudden we have a very plausible explanation for the association of fructose with different disease states.

Edward Edmonds - In the end, you will suffocate to death ...

In that passage, the speaker was referring to a class distinction in the usage of the words. He was saying, in essence, that an upper-class (hence upper-deck) Englishman would never use the crass word "toilet", he would always say lavatory (that's pronounced LAV-a-tree in British, LAV-a-Tor-ee in American).

meaning - What is the difference of lavatory from toilet ...

This paper develops a solution to the fundamental problem of how to collect and 'channel' to one point the heat generated volumetrically in a low conductivity volume of given size.

Constructal-theory network of conducting paths for cooling ...

I. Introduction. On a sunny day in early March 1921, Warren G. Harding took the oath to become the twenty-ninth president of the United States. He had won a landslide election by promising a "return to normalcy." "Our supreme task is the resumption of our onward, normal way," he declared in his inaugural address.
