Payroll reports are documents that are generated from accounting records that have to do with the payroll of a business or company. The reports are normally structured to account for all payroll transactions for a specified period of time. They may cover a single pay period, or include data relevant to longer periods, such as a quarterly or annual payroll.

What are Payroll Reports? (with pictures) - wisegeek.com

Key Terms. Professional Employer Organization (PEO): A professional employer organization, sometimes referred to as an employee leasing company, is an organization that enters into an agreement with a client to perform some or all of the federal employment tax withholding, reporting, and payment functions related to workers performing services for the client.
