We have two sets of rules on acceptable games, varying between tiers: rules for Moons that match the general rules and guidelines, and rules for Vault that have additional restrictions. There is a third tier, Stars, but it is filled manually by cherry-picking the best runs. Its rules are the same as for Moons. Moons

"I think the world of Web development is becoming easier and easier but it's also making it harder for guys like me to find work because so many people want to use out-of-the-box responsive layout sites that are easy to implement and launch. I personally would much rather make a site from scratch than use a template.
