Staff and line are names given to different types of functions in organizations. A "line function" is one that directly advances an organization in its core work. This always includes production and sales, and sometimes also marketing. A "staff function" supports the organization with specialized advisory and support functions.

We investigate whether investors price accruals quality, our proxy for the information risk associated with earnings. Measuring accruals quality (AQ) as the standard deviation of residuals from regressions relating current accruals to cash flows, we find that poorer AQ is associated with larger costs of debt and equity. This result is consistent across several alternative specifications of the ...

Setting Tuition and Financial Aid There is a huge difference between Susan's recommendation and what the other colleges did. Ursinus college not only raised their tuition but they also increased financial aid. Therefore, students were not paying much more out of pocket even though tuition increased. The theory behind "applicants had apparently concluded that if the college cost more, it ...
