this article was written to prove, once and for all, that we are not being told the truth about the nasa film footage of the apollo missions. this will astound even the most hardened sceptic and convince many people that the whole apollo moon project of the late 1960's and early 70's were a complete hoax.

The Apollo Hoax - Cosmic Conspiracies

What did the Apollo in, ironically, was the mass success of the artists it helped launch. They'd gotten too big to play there, a situation exacerbated by the fact that there weren't enough seats.
