Constitution for the United States - We the People

In the context of United States law, originalism is a concept regarding the interpretation of the Constitution that asserts that all statements in the constitution must be interpreted based on the original understanding of the authors or the people at the time it was ratified. This concept views the Constitution as stable from the time of enactment, and that the meaning of its contents can be ...

Health, as defined by the World Health Organization (WHO), is "a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity." This definition has been subject to controversy, as it may have limited value for implementation. Health may be defined as the ability to adapt and manage physical, mental and social challenges throughout life.

The Magna Carta. The Founding Fathers found the Magna Carta an inspiring source. In 1215, a group of English nobles, demanded certain rights and forced the King to sign the Magna Carta or the Great Charter. 500 hundred years later the American colonists were to use this example to demand their rights from the British King.
