Circuits / Conductors / Insulators 1. Which of these best

Circuits / Conductors / Insulators - SolPass

The proper way is to get yourself a shredder that also handles cds - look online for cd shredders. This is the right option if you end up doing this routinely.. I don't do this very often - For small scale destruction I favour a pair of tin snips - they have enough force to cut through a cd, yet are blunt enough to cause small cracks along the sheer line.
