1. Introduction. Innovation is an integral part of the major transformation in modern business (e.g., Brynjolfsson & McAfee, 2014; Salonen, 2011; Schwab, 2017). This is echoed by Orlikowski & Scott (2008, p. 447) who argue that Western societies are on the verge of a transformation on a similar scale to the industrial revolution. Research into innovative processes is therefore increasingly ...

Quality management ensures that an organization, product or service is consistent. It has four main components: quality planning, quality assurance, quality control and quality improvement. Quality management is focused not only on product and service quality, but also on the means to achieve it. Quality management, therefore, uses quality assurance and control of processes as well as products ...

Do causal attributions serve the need to protect and / or enhance self-esteem? In a recent review, Miller and Ross (1975) proposed that there is evidence for self-serving effect in the attribution of success but not in the attribution of failure; and that this effect reflects biases in information-processing rather than self-esteem maintenance.
