One of the noblest pursuits a child of God can embark upon is to get to know and understand God better. The best way we can accomplish this is to look carefully at the book He has written, the Bible, which communicates who He is and His plan for mankind. There are a number of ways we can study the Bible, but one of the most effective and simple approaches to reading and understanding God's ...

Preface to the Home Education Series. The educational outlook is rather misty and depressing both at home and abroad. That science should be a staple of education, that the teaching of Latin, of modern languages, of mathematics, must be reformed, that nature and handicrafts should be pressed into service for the training of the eye and hand, that boys and girls must learn to write English and ...
