### **The Blue Planet: Coasts Flashcards | Quizlet**

Blue Planet - Coasts. A wide variety of coasts exist in the miles of shoreline between the ocean and continents. Rocky shores, brown sandy beaches, white beaches, black beaches, mudflats, and others. Each presents its own unique challenges to the organisms living there, and the resulting biodiversity can vary tremendously.

### **BBC Blue Planet - Coasts: Student Worksheet**

There are a total of 8 episodes of Blue Planet. The worksheets and student guides I have written for this series are all based on the BBC version starring David Attenborough as the narrator. I have not written anything for the first episode entitled "The Blue Planet", as it is largely a recap of the other episodes.
