WAMAP is a web based mathematics assessment and course management platform. Its use is provided free to Washington State public educational institution students and instructors.

WAMAP

Mathematics (from Greek μάθημα *máthēma*, "knowledge, study, learning") includes the study of such topics as quantity, structure, space, and change.. Mathematicians seek and use patterns to formulate new conjectures; they resolve the truth or falsity of conjectures by mathematical proof. When mathematical structures are good models of real phenomena, then mathematical reasoning can ...

Course details. This degree has three stages, each comprising 120 credits. You'll normally start Stage 1 with a 30-credit introductory module followed by three further 30-credit modules in pure and applied mathematics and statistics.; Next, in Stage 2, you'll study a 60-credit pure mathematics module and 60 credits from a choice of applied mathematics and statistics modules.

Q31 | BSc (Hons) Mathematics | Open University

In gambling parlance, making a book is the practice of laying bets on the various possible outcomes of a single event. The term originates from the practice of recording such wagers in a hard-bound ledger (the 'book') and gives the English language the term bookmaker for the person laying the bets and thus 'making the book'.
