Classroom Lessons. Bug Blitz - A Study in Biodiversity (T. Tomm, Havana Junior High, Havana, IL) I n past years our district had money for field trips to local nature areas for the Butterfly Brigade project; however, budget cuts made it difficult to pay for transportation. I decided to adapt the project to a smaller level using our school garden, which is a quick walk to our front schoolyard!

Thinking of pursuing a graduate degree in biology? This guide outlines all you need to know about biology degrees, from course structure to entry requirements, specializations and possible biology careers.

Biology Degrees | Top Universities

I have a pathological proclivity leaning towards disenchantment with extremes. Yet, at the same time I cannot help myself, I spend a great deal of my research time exploring extremes in biology.

Exploring inconvenient paradoxes in ... - Edward Edmonds

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.

Biology with Lab - Easy Peasy All-in-One High School

The undergraduate certificate is designed for students who are looking to broaden their mathematical and computational skills and to give mathematically oriented students the opportunity to discover the challenges presented by applications from the natural sciences and engineering.
