A hippie (sometimes spelled hippy) is a member of the counterculture of the 1960s, originally a youth movement that began in the United States during the mid-1960s and spread to other countries around the world. The word hippie came from hipster and was used to describe beatniks who moved into New York City's Greenwich Village and San Francisco's Haight-Ashbury district.

Though early renditions of the modern answering machine were invented in the 1950s, it wasn't

until the late 1970s that people actually began to use the now-ancient recording devices. Once the machines became more popular, people needed a word for the messages being left—and thus, the word voicemail was born. Originally the word was trademarked by Televoice International—or Voicemail ...
