Conflict resolution is conceptualized as the methods and processes involved in facilitating the peaceful ending of conflict and retribution. Committed group members attempt to resolve group conflicts by actively communicating information about their conflicting motives or ideologies to the rest of group (e.g., intentions; reasons for holding certain beliefs) and by engaging in collective ...

Conference Theme Overview We all live our lives forward, facing uncertain futures, yet social scientists feel most comfortable explaining the social world through causes rooted in the past or through the constraints and resources lodged in the present. Such explanations omit an important step: both historic and structural forces are refracted through the set of [...]
