Housing segregation is the practice of denying African American or other minority groups equal access to housing through the process of misinformation, denial of realty and financing services, and racial steering. Housing policy in the United States has influenced housing segregation trends throughout history. Key legislation include the National Housing Act of 1934, the GI Bill, and the Fair ...

Dubai is a global city and business hub of the Middle East. It is also a major global transport hub for passengers and cargo. Oil revenue helped accelerate the development of the city, which was already a major mercantile hub, but Dubai's oil reserves are limited and production levels are low: today, less than 5% of the emirate's revenue comes from oil.

It is virtually impossible for man in what the Apostle Paul portrayed as his organic "natural" condition of mind (see What Difference Does It Make), to comprehend the enigma of a paradoxical reality. Yet, he finds himself immersed in a paradoxical world -- often eating the forbidden fruit of the Tree of Duality by embracing one paradoxical truth, while rejecting its opposite that is equally true.
