Definition of Legend. Originated from Latin legendus, legend means "something which ought to be read." According to J. A. Cuddon, a legend is "a story or narrative that lies somewhere between myth and historical fact and which, as a rule, is about a particular figure or person." Traditionally, a legend is a narrative that focuses on a historically or geographically specific figure, and ...

The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.
