Vocabulary plays a key role in reading, however, so many kids are in need of effective vocabulary instruction that literacy experts tend to define it as a discrete category of its own. This article provides essential steps, recommended books, and research statistics to guide adolescent vocabulary instruction.

A virtual learning environment (VLE) is a system that creates an environment designed to facilitate teachers' management of educational courses for their students, especially a system using computer hardware and software, which involves distance learning. In North America, a virtual learning environment is often referred to as a "learning management system" (LMS).

History of virtual learning environments - Wikipedia

2- Definitions of L2. It is crucial here to mention the difference between a Second and a Foreign language, which are both referred to as L2. People who are living in an English-speaking community/country are learning English as their SECOND language. "The learner of the second language is surrounded by stimulation, both visual and auditory, in the target language and thus has many ...
